

## KS3 – KS5 Geography Journey at St Ivo Academy (2020-2021)

This varies slightly to a 'normal year' due to amendments made in light of the lockdown at the end of the 2019-2020 academic year – the knock on impact of what needs to be covered and also in light of the Ofqual consultations for GCSE and A Level (and the removal of the specified fieldwork section for the 2020-2021 academic year for GCSE).

		Autun		Aut	tumn 2	Spring 1		Spring 2		Summer 1		Summer 2
KS3	Year 7	World Locational Geography	Map Ski (including fo Antarctio		lls cus on ca)	Settlement (brief unit linked to Map skills) (Climate C Pl		nmental Afric sues hange / Ocean astics)		Afri <mark>ca</mark>	a Economic Change and local Fieldwork Enquiry
